

*****Studio Procedures for Covid19*****

Our covid 19 procedures in place to keep our dancers, faculty and families safe & healthy.

*****Studio is being professionally sanitized with Smart Coating which neutralizes viruses on contact for up to 90 days. This includes ballet barres, doors, bathrooms, light switches, Magical Kingdom Mats, chairs, hand rails, etc. Additional cleaning will be implemented as well. We have added Hathaspace HSP002 Smart True HEPA air purifiers with medical grade air filters in our 3 studios and upstairs waiting area. Each unit replaces 100% of the air every hour. The H13 Medical Grade HEPA removes 99% of particles down to 0.1 microns.*****

- Class sizes will be limited to allow for social distancing.
- Studio rooms have been measured & marked to allow 6 ft or more around each dancer at all times
- Masks are recommended but no longer required while inside the building.
- Students must wash hands upon entering the studio. Hand sanitizer will be provided for the younger students who may require help with washing hands.
- Students should be dropped off & picked up at designated areas. Parents are welcome back inside the studio!
